Registering for Mobile Access:

Access to AusDI requires the user to register a personal account for use with their mobile devices.

1. Log into the AusDI registration page using the proxied ANZCA link (users will be required to authenticate using their ANZCA ID and password)

4. The Registration screen will display – fill in the required fields and click the Register button when complete:

5. A pop-up will display with a message that "Your new registration entry has been saved."
6. Once registered, you will receive the following "Your AusDI Personal Account - Activation Required Within 48 hours" email sent to your nominated account:

Dear,

Thank you for registering your AusDI personal account through your institution.

Please activate your account within 48 hours by clicking on Activate My Registration. Failure to do so within 48 hours will result in your account being deleted and you will need to register again.

Once your account has been activated you can login to AusDI from any location or mobile device by visiting [http://ausdi.com.au](http://ausdi.com.au), which you can bookmark for easy return access.

Login information for your personal account:

- Username: youremailaddress@emailaddress.com
- Password: <<password>>

What you can do with your personal account:

- Access AusDI from anywhere using your username and password.
- Save your searches and favourites via My Searches and My Favourites.
- Manage your personal preferences via My Settings.

If you have any questions regarding your personal account please email [kssupport@medicaldirector.com](mailto:kssupport@medicaldirector.com) or call 1300 118 120.

Kind regards,

MedicalDirector

NOTE: This email has been automatically generated by the MedicalDirector Customer Service System. Please do not reply to it - replies are NOT monitored.

6. Click on the **Activate My Registration** link in the email - the **Activate New Registration** page will open in your browser:

7. Click the **Activate Registration** button – a pop-up message will display: **Your registration has been activated. Please allow 30 seconds before attempting to log in.**
8. Use the personal account credentials you created to login to AusDI on your mobile device or to access the personalised login features via the desktop version

**Please Note:** AusDI will require you to reactivate your account every six months to ensure that you are still an ANZCA library user.
